Traffic temporarily reduced to one lane tomorrow on ND Highway 200 west of Riverdale for bridge maintenance

Beginning tomorrow, Wednesday, October 1, traffic on ND Highway 200 across the Garrison Dam Bridge west of Riverdale will be temporarily restricted to a single lane of traffic for bridge maintenance. During the project a temporary traffic signal and signage will be in place to direct traffic and motorists can expect short delays.

During project

- Traffic will be reduced to a single lane
- A 12 ft. width restriction across the Garrison Dam spillway will be in place during the project
- Speeds will be reduced to 25 mph through the work zone
- Barricades will be in place through work zone
- Short delays can be expected

The project is expected to take approximately one month to complete.
